

A message from Richard Carter....

Ramsey Mereside Drive – Sunday 5th June 2011

Directions...

Should anyone get lost these are our contact numbers, 01733 844594, 07711 692243, 07541 310021.

If members are using a sat nav, then PE26 2UE will bring them halfway down Mereside Drove where we live. To find us keeping driving past the Fenland Light Railway, look to your left, members will eventually see a white cottage set back with paddocks in front. This is our house. We will have signs out.

If members are using a map, from the east use the A14 to Newmarket. A142 to Ely then Chatteris. Outside Chatteris at the junction with the A141 there is a round about. Members should follow road signs to Ramsey Forty Foot, then Ramsey Mereside. Mereside is the first turning right upon entering the village and is signed. Drive 1.7 miles until you see our white house set back on the left.

If members are approaching from the west, then Mereside Drove is the very last turning left just before you leave the village.
